

Strengthen your Website or Portal

Enhance Your Customers' Experience

Augment the value of your site by adding EDGAR Online content to your portal or website. EDGAR Online, Inc. is a leading source of financial information and corporate intelligence. We specialize in making the competitive, business and financial disclosures contained in SEC filings actionable and easy to use.

EDGAR Online delivers a broad spectrum of public company information.

EDGAR Online delivers a broad spectrum of public company information, including XBRL-tagged financial statement data, which can be incorporated into your proprietary portal or websites to offer key content sets for your customers, investors and employees.

EDGAR Online content can be found on Yahoo Finance, Google Finance, MSN, Forbes.com, MarketWatch, Hoover's, SmartMoney, CNN Money and many more public and corporate portal sites. It is perfect for:

- Supplying current information to public websites
- Powering internal corporate or customer portals
- Providing investor tools
- Improving internal or external research

EDGAR Online offers multiple content sets derived from SEC filings and other sources including:

- **Financials/Fundamental Data** – EDGAR Online offers extensive fundamental financial data including data elements from the balance sheet, income statement, cash flow statement and certain key ratios for all publicly traded companies listed on the NYSE, NASDAQ, AMEX and OTCBB. Data includes both Annual and Quarterly views. Whether you need full details or summary level displays, we can deliver the data set you want.

Click on the link below for a Summary Financials example.

Other value added features include:

- **Web Tools and Widgets**– Add dynamic stock charts, financial screening modules, company profiles or company content capsules like peer or industry benchmarking displays to your site. Click on the link below for an example of the Financial Screening. (<http://www.nasdaq.com/reference/StockScreener.stm>) Click on the link below and register to see a Peer Benchmarking analysis. (www.tryxbrl.com)
- **Investor Relations packages** to power your public company IR page.
- **Company search results with full history** – EDGAR Online provides SEC filings with history going back to 1994. We offer comprehensive access to the full range of filing types which are searchable by ticker. Documents are easily navigated using our section-based dropdown menus and can be quickly viewed in HTML, Word, Excel, PDF, or the original filing format for further manipulation. Click on the link below for an example of SEC filings. (<http://google.brand.edgar-online.com/?sym=MSFT>)
- **Glimpses** – The EDGAR Online Glimpse Feed contains just the critical Management's Discussion & Analysis section extracted from the 10-Q (Quarterly), 10-K (Annual), and 8-K (Events) SEC filings. Click on the link below to view a MD&A section sample. (<http://biz.yahoo.com/e/071025/msft10-q.html>)
- **Today's Headlines** – The EDGAR Online Headline Feed contains real-time, company specific SEC content derived from SEC forms 10-Q, 10-K, and 8-Ks in the form of "headlines" categorized by specific company name or ticker for a set time period (i.e. "Today's SEC Headlines") or form type. Click on the link below for an example of Today's Headlines. (<http://biz.yahoo.com/reports/edgar.html>)
- **Key People Search** – The EDGAR Online People Search generates a list of filings for people mentioned in specific SEC filings regardless of whether they are a company executive. It even lets you look up a particular person and see all the companies that include a mention of him or her in them. Click on the link below for an example of Key People Search results.
